Guide services:

A representative (tour manager) will be with your group throughout your stay. This person is the main contact between your group and Premier International Tours. If problems arise, please discuss these with tour manager first before you call our offices since they are on the ground and more able to resolve issues at the destinations. Your representative will help plan your daily schedule and help in the event of any unforeseen problems or changes. This representative is not a professional city tour guide(s), although he/she will have general knowledge of the cities you are staying in and the surrounding areas. Please find below a job description of our representatives.

- Be with the group from arrival till the last evening. Join them during transfers to the accommodation, location where meals are served, fields, game events and excursions.
- Discuss the program in advance with club contact. Create a good relationship with the club contact and driver (if group has a private bus available).
- Translate where necessary.
- Make sure group behaves correctly; attend opening, finals, award ceremonies, and other organized activities.
- Mediate in case of damages or conflicts with/to accommodation, busses, etc. Make sure to make a report of this.
- Support the group in case of visit police station (theft) and/or hospital.

It is very important that the group leader sits down with the guide upon arrival and discusses the daily program and sightseeing activities planned. Then, during the trip the group leader should also discuss each day with the guide the program for the next day in case of any last-minute changes so the guide can communicate any changes to other parties (hotel staff for meals, bus driver, etc.)

Please note that it is customary to tip the guide at the end of the trip if the guide has done a good job. We highly recommend collecting approx. \$3.00-\$5.00 per person per day (local currency) for each guide for the trip.

Ground transportation:

During your stay two private busses will be available exclusively for your group. The motor coach can be used for excursions and all local transportation (such as transfers to/from the friendly game locations and for sight-seeing). You have a maximum of 1,400 kilometers available per bus. The following restrictions have been set by the European transportation departments:

The bus driver can drive a maximum of 9 hours per day and can be on duty for 12 hours (so 3 hours wait/rest time during a day). Twice a week the driver may use the bus 10 hours. This is usually used for long transfers from country to country.

- Each day the bus driver must have an 11-hours rest period between his transportation duties.
- During transfers every 4 hours the driver must make a 45-minute required rest stop.

It is also customary to tip the bus driver if you have a private bus throughout the trip and the same bus driver throughout the trip. We recommend approx. \$2.00 - \$3.00 per person per day (local currency) for this, see below for when you have different bus drivers:

- If you only have the driver one day and no special services – tipping isn't necessary
- If you have a driver for 2 or more days – highly recommend tipping
- You can ask the tour manager to check with the driver on day one if they will be with you the whole trip and if not, they can confirm when the change will be made. Based on this you can tip accordingly.

Seat assignments:

Around 90 days before departure we will send the team manager or coach a list to fill out with the official names (as per passport) for the airline. Passengers can add seat requests to this spreadsheet such as 'window seat' or 'aisle seat' or who wants to be seated together. These requests **cannot** be guaranteed. American Airlines will assign seats at the time of ticketing. Passengers can access their reservation using their PNR/Record Locator and last name online at the airline's website (American Airlines) to change their seating assignments.

Check in:

Passengers can check in for their flight online 24 hours prior to their departure.

Airline Tickets:

Airline tickets will be forwarded to the group leader approx. 2-3 weeks prior to departure after the final names have been supplied to us by the group leader and we have received full payment from all travelers. When airline tickets are sent, we will also include instructions on how, when and where the group passengers can check in and how to make flight changes while traveling if necessary. Groups will check in at the airport, allow for 3 hours prior to departure.

Information for flights in case of flight changes or cancellations:

Please note that your group is booked through the group departments of airlines under group fare guidelines and conditions. Many times, we must go through the group department of the airline to change flights for the group or individual passengers, etc. Therefore, please follow these guidelines with any flight cancellations or changes during the trip.

- In case of any flight delays that will result in missing a connection or any flights that are cancelled, always first work with an airline representative at the airport to fix the issue and get the group on other flights.
- If any individuals want to change flights (dates only, routing changes not permitted), then individuals should contact the airline first to see if the change can be made. If the change cannot be made by the airline, contact us and we will contact the airline group department and attempt to make the change. Please note that the group departments of airlines are closed on the weekends, so we have some limitations.

Sightseeing activities/excursions:

Included below are the excursion options we offer. We offer the service to pre-book 1 or more of these excursion options but not later than **90 days** prior to departure.

Referees:

For your games a referee(s) will be provided.

Day by Day Itinerary

Putting together your day-by-day itinerary is a complicated process since there are various items/tour components to take into consideration which makes it a multi-step process.

1. We create a provisional itinerary which will be similar to the itinerary included in the proposal you received from us before booking your tour. After that, we would like to know at least 90 days before departure which specific excursions your group would like to book. We will not be able to book these excursions right away because we need to wait for the game schedule which will be available approx. two weeks before departure. So, they are subject to availability at that time.
2. Then we start working on your team's game schedule.
It is common that we won't know your team's game schedule until approx. 1-3 weeks prior to your departure because:
 - a) Many international teams - local teams at your travel destinations - will only find out 3-4 weeks prior to your tour dates what kind of league games they need to play and when they are available to play against your team.
 - b) Many of the clubs in Europe use community/municipal courts and these cities won't release these courts until 2-3 weeks prior to the assigned games.
 - c) After your games are assigned, we need some additional days to plan the excursions you would like to have pre booked.

This is all time consuming since it is a lot like a puzzle which will come together bit by bit/piece by piece. This the reason we are not able to send you the final itinerary as soon as you and your travelers would like. We strive to have a final itinerary available between 1-3 weeks prior to departure.

People not booking arrangements through Premier International Tours:

Please be aware that we cannot provide any transportation from or to the airport or for any pre-arranged group tour activities (sightseeing excursions, etc.) or any transportation arranged for the group for individuals which did not book the tour package with Premier International Tours. Because of liability/law issues with our suppliers (Bus Company, etc.) persons who booked their own flights and accommodation are not allowed to just join the group on bus transfers arranged for the group.

If you have anyone who wants to join the group later in the booking stage, please contact us no later than **90 days before the departure** date and we will try to accommodate the requests.

General Participation Conditions:

We again strongly encourage your participants to review the General (Cancellation) Conditions and General Information document on your group website page to make sure all participants are aware of/understand these conditions to avoid any misunderstandings.

Final payment:

Please notice that delayed payments (within 6 weeks prior to departure) must be done by cashier's checks or credit cards. We will release the travel documents and travel information after receipt of full payment of ALL travelers.

Group arrangements:

This is a group tour arrangement. The participant prices are based on the number of people traveling. If this number goes up or down the participant prices will be adjusted as per your proposal.

Documents you will receive from us:

- Final itinerary: 1-3 weeks prior to departure.
- Airline tickets: 2-3 weeks prior to departure.

It is situated behind the Cathedral and is the third oldest structure in Pisa's Cathedral Square after the Cathedral and the Baptistery. The tower's tilt began during construction, caused by an inadequate foundation on ground too soft on one side to properly support the structure's weight. The tilt increased in the decades before the structure was completed, and gradually increased until the structure was stabilized (and the tilt partially corrected) by efforts in the late 20th and early 21st centuries.
