The above-mentioned accommodations may require a cash damage/security deposit in local currency (approx. \$ 100.00-\$400.00) from the group upon arrival and check in, so please be prepared for this. This deposit is refundable upon check out provided there is no damage to the accommodation/rooms.

Please notice that drinks (such as bottled water, sodas) during the meals are not included. We have requested that our groups be served with tap water on the table, however, in some countries this might not be offered. For breakfast tea and coffee is included and in most cases milk & juice.

Guide services:

A representative (tour manager) will be with your group throughout your stay. This person is the main contact between your group and Premier International Tours. If problems arise, please discuss these with your tour manager first before you call our offices since they are on the ground and more able to resolve issues at the destinations. Your representative will help plan your daily schedule and help in the event of any unforeseen problems or changes. This representative is not a professional city tour guide(s), although he/she will have general knowledge of the cities you are staying in and the surrounding areas. Please find below a job description of our representatives.

- Be with the group from arrival till the last evening. Join them during transfers to the accommodation, location where meals are served, fields, game events and excursions.
- Discuss the program in advance with club contact. Create a good relationship with the club contact and driver (if group has a private bus available).
- Translate where necessary.
- Make sure group behaves correctly; attend opening, finals, award ceremonies, and other organized activities.
- Mediate in case of damages or conflicts with/to accommodation, busses, etc. Make sure to make a report of this.
- Support the group in case of visit police station (theft) and/or hospital.

It is very important that the group leader sits down with the guide upon arrival and discusses the daily program and sightseeing activities planned. Then, during the trip the group leader should also discuss each day with the guide the program for the next day in case of any last-minute changes so the guide can communicate any changes to other parties (hotel staff for meals, bus driver, etc.)

Please note that it is customary to tip the guide at the end of the trip if the guide has done a good job. We recommend collecting approx. \$10.00-\$20.00 per person (local currency) for each guide for the trip.

Ground transportation:

We have included airport transfers July 3rd and July 10th. During your stay all your participants will receive a public transportation pass to arrange transfers via public transportation from your accommodation to the fields and back.

Air transportation/flights:

The following flights have been booked for your group:

Seat assignments:

Please include any special seat requirements on this list. We will request your wishes, but these cannot be guaranteed. Group seats

L&J GROUP, Inc.

PREMIER INTERNATIONAL TOURS

will be assigned at the time of ticketing. All seat requests or changes must be done at the airport upon check-in, all seats are a first come first serve basis. The airline will block seats next to one another (if available) for groups.

Check in:

For most flights, passengers can check in for their flight online 24 hours prior to their departure.

Airline Tickets:

Airline tickets will be forwarded to the group leader approx. 2-3 weeks prior to departure after the final names have been supplied to us by the group leader and we have received full payment from all travelers. When airline tickets are sent, we will also include instructions on how, when and where the group passengers can check in and how to make flight changes while traveling if necessary.

Groups will check in at the airport, allow for 3 hours prior to departure.

Information for flights in case of flight changes or cancellations:

Please note that your group is booked through the group departments of airlines under group fare guidelines and conditions. Many times, we must go through the group department of the airline to change flights for the group or individual passengers, etc. Therefore, please follow these guidelines with any flight cancellations or changes during the trip.

- In case of any flight delays that will result in missing a connection or any flights that are cancelled, always first work with an airline representative at the airport to fix the issue and get the group on other flights.
- If any individuals want to change flights (dates only, routing changes not permitted), then individuals should contact the airline first to see if the change can be made. If the change cannot be made by the airline, contact us and we will contact the airline group department and attempt to make the change. Please note that the group departments of airlines are closed on the weekends, so we have some limitations.

We expect to have a final itinerary for these tours available between 1-2 weeks prior to departure depending on how fast the tournament posts their game schedule.

People not booking arrangements through Premier International Tours:

Please be aware that we cannot provide any transportation from or to the airport or for any pre-arranged group tour activities (sightseeing excursions, etc.) or any transportation arranged for the group for individuals which did not book the tour package with Premier International Tours. Because of liability/law issues with our suppliers (Bus Company, etc.) persons who booked their own flights and accommodation are not allowed to just join the group on bus transfers arranged for the group.

If you have anyone who wants to join the group later in the booking stage, please contact us no later than **90 days before the departure** date and we will try to accommodate the requests.

General Participation Conditions:

We again strongly encourage your participants to review the General (Cancellation) Conditions and

Passports:

We encourage you to start working on your passport as soon as possible. Current wait times to get your passport are longer than usual. Passports need to be valid 6 months from your return date. More information about passports and visas can be found at our Tour Preparation Guide - [click here](#).
