Each team will have a local tour manager assigned to be exclusively with that team full time each day during the stay at each destination to aid when necessary and help plan/amend the daily schedule as needed. This person is the main contact between your group and Premier International Tours. If problems arise, please discuss these with the tour manager first before contacting Premier International Tours since they are on the ground and are more promptly able to resolve issues at the destinations. Your tour manager will help plan the daily schedule and help if there are any unforeseen problems or changes. This representative is not a professional city tour guide(s), although he/she will have general knowledge of the cities you are staying in and the surrounding areas.

Ground transportation:

During your stay, a private bus will be available exclusively for your group. The motor coach can be used for excursions and all local transportation (such as transfers to/from the friendly game locations and for sightseeing). You have a maximum of 800 kilometers available. The bus driver can drive a maximum of 9 hours per day and can be on duty for 12 hours (so 3 hours wait/rest time during a day). Twice a week the driver may use the bus for 10 hours. This is mostly used for long transfers from country to country.

Tipping:

Tour Manager - Please note that it is customary to tip the tour manager at the end of the trip if he or she has done a good job. We recommend collecting approx. \$30.00-\$40.00 (\$3-\$5 per day) per person (local currency) for the whole tour.

Bus Driver - It is also customary to tip the bus driver if you have a private bus throughout the trip and the same bus driver throughout the trip. We recommend approx. \$10.00-\$15.00 per person for the whole tour.

05AUG BA193 London LHR – Dallas Fort Worth

Passport names:

We will use the (passport) names as per your application – see travelers list on page 5. Please double check this, airlines will not allow you to travel if the names are incorrect on your ticket.

Deviations:

Airlines allow only a part of the group to deviate (return later from the same airport). Airlines charge a standard deviation fee of **\$150.00** per person (subject to availability). Please inform us as soon as possible if you want to change your return flight. **After April 26, 2024, we can't accept deviations anymore.** We encourage you to request deviations as soon as possible because fares will go up the closer you get to the deadline date. After deviations are booked and confirmed, we cannot change them anymore. For people who are arranging their own flights and booking the land package with us, we can only arrange your airport transfers when you arrive and leave at (approx.) the same time as the group.

Seats assignments for flights:

Please note that airline offers limited service regarding seat assignments. If you have any special needs, please inform us at the latest by **April 26, 2024**, and we will try to accommodate your wishes. Groups have a block of seats confirmed by the airline at the time the deposit was paid. Seat requests are accepted, but passengers cannot access their reservation online to make any changes to their seat assignments since it is a group booking. Many times, travelers are not able to check-in online for their flight, check-in will have to be done as a group at the airport upon arrival. Airline (e)tickets will be emailed to the group approx. 2-3 weeks prior to departure and after we have received full payment from all travelers. This email will also include instructions on how, when and where passengers can check in. On departure day we recommend arriving at the airport 3 hours prior to departure.

Sightseeing activities/excursions:

Included below are the excursion options we offer. We offer the service to pre-book 1 or more of these excursion options but not later than **March 28, 2024**.

Day by Day Itinerary:

Putting together your day-by-day itinerary is a complicated process since there are various items/tour components to take into consideration which makes it a multi-step process.

1. The provisional itinerary is included in the application packet. We would like to know by **March 28, 2024, what excursion(s) your team would like to pre-book**. We may not be able to book these excursions right away because we need to wait for the days and times of game schedule which will be available approx. two weeks before departure. So, they are subject to availability at that time.
2. Then we start working on your team's game schedule and training sessions. It is common that we won't know your team's game schedule and training sessions until approx. 1-3 weeks prior to your departure because:
 - a) Many international teams - local teams at your travel destinations - will only find out 3-4 weeks prior to your tour dates what kind of league games they need to play and when they are available to play against your team.
 - b) Many of the clubs in Europe use community/municipal fields/courts and these cities won't release these fields/courts until 2-3 weeks prior to the assigned games.
 - c) After your games are assigned, we need some additional days to plan the excursions you would like to have pre-booked. This is all time consuming since it is a lot like a puzzle which will come together bit by bit/piece by piece. This the reason we are not able to send you the final itinerary as soon as you and your travelers would like. We strive to have a final itinerary available between 1-3 weeks prior to departure.

Referees:

For your games, a referee(s) will be provided.

People not booking arrangements through Premier International Tours:

Please be aware that we cannot provide any transportation from or to the airport or for any pre-arranged group tour activities (sightseeing excursions, etc.) or any transportation arranged for the group for individuals which did not book the tour package with Premier International Tours. Because of liability/legal issues with our suppliers (Bus Company, etc.) people who booked their own flights and accommodation are not allowed to just join the group on bus transfers arranged for the group.

If you wish to add family members, we need to know no later than **April 26, 2024**. Any additions will be subject to availability at the time of the request.

We have a tour preparation guide available on our website. We strongly encourage you to review this before traveling. For more information, please [check here](#).
