Guide services:

A representative (tour manager) will be with your group throughout your stay. This person is the main contact between your group and Premier International Tours. If problems arise, please discuss these with the tour manager first before you call our offices since they are on the ground and more able to resolve issues at the destinations. Your representative will help plan your daily schedule and help in the event of any unforeseen problems or changes. This representative is not a professional city tour guide(s), although he/she will have general knowledge of the cities you are staying in and the surrounding areas. Please find below a job description of our representatives.

- Be with the group from arrival till the last evening. Join them during transfers to the accommodation, location where meals are served, fields, game events and excursions.
- Discuss the program in advance with club contact. Create a good relationship with the club contact and driver (if the group has a private bus available).
- Translate where necessary.
- Make sure the group behaves correctly; attend opening, finals, award ceremonies, and other organized activities.
- Mediate in case of damage or conflicts with/to accommodation, buses, etc. Make sure to make a report on this.
- Support the group in case of visit police station (theft) and/or hospital.

It is very important that the group leader sits down with the guide upon arrival and discusses the daily program and sightseeing activities planned. Then, during the trip the group leader should also discuss each day with the guide the program for the next day in case of any last-minute changes so the guide can communicate any changes to other parties (hotel staff for meals, bus driver, etc.)

Please note that it is customary to tip the guide at the end of the trip if the guide has done a good job. We highly recommend collecting approx. \$3.00-\$5.00 per person per day (local currency) for each guide for the trip.

Ground transportation:

During your stay, a private bus will be available exclusively for your group. The motor coach can be used for excursions and all local transportation (such as transfers to/from the friendly game locations and for sightseeing). You have a maximum of 800 kilometers available. The following restrictions have been set by the European transportation departments:

The bus driver can drive a maximum of 9 hours per day and can be on duty for 12 hours (so 3 hours wait/rest time during a day). Twice a week the driver may use the bus for 10 hours. This is mostly used for long transfers from country to country.

- Each day the bus driver must have an 11-hour rest period between his transportation duties.
- During transfers every 4 hours the driver must make a 45-minute required rest stop.

It is also customary to tip the bus driver if you have a private bus throughout the trip and the same bus driver throughout the trip. We recommend approx. \$2.00 - \$3.00 per person per day (local currency) for this, see below for when you have different bus drivers:

- If you only have the driver one day and no special services – tipping isn't necessary.
- If you have a driver for 2 or more days – highly recommend tipping.
- You can ask the tour manager to check with the driver on day one if they will be with you the whole trip and if not, they can confirm when the change will be made. Based on this you can tip accordingly.

Air transportation/flights:

We will book your group's flights once airlines publish group fares and flights around August of 2024 and will post your flight itinerary here.

Individual deviations/flight changes and upgrades before departure: If any individual traveler needs a deviation (earlier flight departure than the group or later flight return than the group) this needs to be requested as soon as possible. We can't accept any deviations after **April 24, 2025**. Every airline charges a standard deviation (change) fee of **\$150.00** per person plus a possible increase in fare on the requested deviation/changed flight. All deviation requests are subject to availability of flights. Please note that airlines allow only a maximum of 10-20% of the group to deviate (percentage depends on the specific airline) and the deviations must be done with the same airline as the group. Deviations can be made for either the return flight only or outbound flight only (depending on the specific airline) but not both. Only a select few airlines allow routing changes on deviations so routing changes are also subject to the conditions of the specific airline used for the group flights.

Because this is a group booking which has group conditions, individual requests to upgrade to business/first class may not be allowed by the airline and are subject to availability and pricing at the time of the request. We can request this on an individual basis.

Seat assignments:

Around March 25, 2025 we will send the team manager or coach a list to check the official names (as per passport) for the airline. Passengers can add seat requests to this spreadsheet such as 'window seat' or 'aisle seat' or who wants to be seated together. These requests **cannot** be guaranteed. The airline will typically assign seats at the time of ticketing, but we will have additional information once the tickets are issued. Passengers may be able to access their reservation using their PNR/Record Locator and last name online at the airline's website (**to be confirmed**) to change their seating assignments. Some airlines may only allow seat change requests at check in at the airport on the departure day – this will be advised when we send the e-tickets to the group leader.

Check in:

Passengers may be able to check in for their flight online 24 hours prior to their departure. In some cases, the airline may not allow online check-in and require the whole group to check in at the airport on departure day. This will be confirmed when we send e-tickets to the group leader.

Airline Tickets:

Airline (e)tickets will be forwarded to the group leader approx. 2-3 weeks prior to departure and we have received full payment from all travelers. When airline tickets are sent, we will also include instructions on how, when and where the group passengers can check in and how to make flight changes while traveling if necessary. Make sure to check in at the airport, allowing 3 hours prior to departure.

Information for flights in case of flight changes or cancellations:

Please note that your group is booked through the group departments of airlines under group fare guidelines and conditions. Many times, we must go through the group department of the airline to change flights for the group or individual passengers, etc. Therefore, please follow these guidelines regarding any flight cancellations or changes during the trip.

- Cancellations or Delays: If your group encounters cancellations or delays, seek help from the gate agents or airline staff immediately! At this time, your tickets are now in airport control and the airline staff at the airport have full authority of the records to provide alternative flight options and accommodations and are responsible for assisting your group! Do not leave the airport until your group has been re-accommodated and all travelers are accounted for.
- Connections: If you have tight connections, concerns with making your connections, or missed a connection, seek help from a gate agent immediately. The airline staff will again have control of your tickets and are responsible for assisting you on your day of travel disruptions.
- If any individual wants to change flights on the day of departure (dates only, routing changes not permitted), then individuals should contact the airline first to see if the change can be made. If the change cannot be made by the airline, contact us and we will contact the airline group department and attempt to make the change. Please note that the group departments of airlines are closed at the weekends, so we have some limitations.
- Missing Baggage: Travelers must file claims with the airline staff at the airport immediately and provide a personal cell phone number for the airline to reach them directly.

Sightseeing activities/excursions:

Included below are the excursion options we offer. We offer the service to pre-book 1 or more of these excursion options but not later than **March 25, 2025**.

Day by Day Itinerary

Putting together your day-by-day itinerary is a complicated process since there are various items/tour components to take into consideration which makes it a multi-step process.

1. We have created a provisional itinerary which will be similar to the itinerary included in the proposal you received from us before booking your tour. After that, we would like to know by **March 25, 2025**. We will not be able to book these excursions right away because we need to wait for the game schedule which will be available approx. two weeks before departure. So, they are subject to availability at that time.
2. Then we start working on your team's game schedule.
It is common that we won't know your team's game schedule until approx. 1-3 weeks prior to your departure because:
 - a) Many international teams - local teams at your travel destinations - will only find out 3-4 weeks prior to your tour dates what kind of league games they need to play and when they are available to play against your team.
 - b) Many of the clubs in Europe use community/municipal fields/courts and these cities won't release these fields/courts until 2-3 weeks prior to the assigned games.

c) After your games are assigned, we need some additional days to plan the excursions you would like to have pre-booked.

This is all time consuming since it is a lot like a puzzle which will come together bit by bit/piece by piece. This the reason we are not able to send you the final itinerary as soon as you and your travelers would like. We strive to have a final itinerary available between 1-3 weeks prior to departure.

Referees:

For your games, a referee(s) will be provided.

People not booking arrangements through Premier International Tours:

Please be aware that we cannot provide any transportation from or to the airport or for any pre-arranged group tour activities (sightseeing excursions, etc.) or any transportation arranged for the group for individuals which did not book the tour package with Premier International Tours. Because of liability/legal issues with our suppliers (Bus Company, etc.) people who booked their own flights and accommodation are not allowed to just join the group on bus transfers arranged for the group.

If you have anyone who wants to join the group later in the booking stage, please contact us **no later than April 24, 2025**, and we will try to accommodate the requests.

General Participation Conditions:

We again strongly encourage your participants to review the General (Cancellation) Conditions and General Information document on your group website page to make sure all participants are aware of/understand these conditions to avoid any misunderstandings.

Final payment:

Please note that delayed payments (within 6 weeks prior to departure) must be made by cashier's checks or credit cards. We will release the travel documents and travel information after receipt of full payment of **ALL** travelers.

Group arrangements:

This is a group tour arrangement. The participant prices are based on the number of people traveling. If this number goes up or down the participant prices will be adjusted as per your proposal.

Documents you will receive from us:

- Final itinerary: 1-3 weeks prior to departure.
- Airline tickets: 2-3 weeks prior to departure.

Should you have any questions please do not hesitate to contact me.

Sincerely yours,

Loek van Zijl
President Premier International Tours

The unfinished Cathedral by Gaudi, the expiatory church of La Sagrada Família, is a work on a grand scale that began on March 19, 1882, from a project by the diocesan architect, Francisco de Paula del Villar (1828-1901). At the end of 1883 Gaudí was commissioned to carry on the work, a task which he did not abandon until his death in 1926. Since then, different architects have continued the work after his original idea.

Important note: Once your group decides to pre-book this excursion, we do require an official letter from your club, school, or university. Please feel free to ask for a sample letter from us. Secondly, we cannot guarantee that we will be able to get admission tickets for this site.

The mountain is composed of strikingly pink conglomerate, a form of sedimentary rock, and Montserrat is Spain's first National Park.

4) **CASTELL DE MONTJUIC**

Prices: \$9.00 per person, U16 free – Guided Tour: \$13.00

Barcelona's Montjuïc is a broad shallow hill to the southwest of the city center. The eastern side of the hill is almost a sheer cliff, giving it a commanding view over the city's harbor immediately below. The top of the hill was the site of several fortifications, the latest of which the Castle of Montjuïc remains today. The fortress largely dates from the 17th century, with 18th-century additions. It served as a prison, often holding political prisoners, until the time of General Franco. The castle was also the site of numerous executions. On different occasions during the Spanish Civil War, both Nationalists and Republicans were executed there, each at the time when the site was held by their opponents. The Catalan nationalist leader Lluís Companys i Jover was also executed there in 1940, having been extradited to the Franco government by the Nazis.

5) **LA RAMBLA & BOQUERIA MARKET**

Prices: Free

This busy street is just for pedestrians and is lined with outdoor markets, shops, restaurants, and cafes. La Boqueria is a large public market in the Ciutat Vella district of Barcelona, and one of the city's foremost tourist landmarks, with an entrance from La Rambla, not far from the Liceu, Barcelona's opera house. The market has a very diverse selection of goods.

Prices and availability for these excursions may change at the time of booking.

Touristic information Madrid

Madrid is the capital city of Spain and the largest city in Spain. The city has a population of almost 3.2 million with a metropolitan area population of approximately 6.5 million. It is the third-largest city in the European Union, after London and Berlin, and its metropolitan area is the third largest in the European Union after those of London and Paris.

1. BERNABEU FOOTBALL STADIUM: The Estadio Santiago Bernabéu is an all-seater football stadium in Madrid, Spain. It was inaugurated on 14 December 1947 and is owned by Real Madrid Club de Fútbol. It has a current capacity of 85454 spectators. El Bernabéu, renamed in honor of their former chairman Santiago Bernabéu Yeste, is one of the world's most famous and prestigious football venues. It has hosted the European Cup final on four occasions: in 1957, 1969, 1980, and the UEFA Champions League Final in 2010. The Bernabéu is both the second-largest stadium in Spain and the second-largest stadium home to a top-flight European club, behind only Camp Nou, home to rival Barcelona.

2. ROYAL PALACE: The Palacio Real de Madrid is the official residence of the Spanish Royal Family at the city of Madrid but is only used for state ceremonies. King Felipe VI and the Royal Family do not reside in the palace, choosing instead the more modest Palacio de la Zarzuela on the outskirts of Madrid. The palace is owned by the Spanish State and administered by the Patrimonio Nacional, a public agency of the Ministry of the Presidency. The palace is located on Calle de Bailén (Bailén Street), in the Western part of downtown Madrid, East of the Manzanares River. Several rooms in the palace are regularly open to the public except during state functions.

3. PRADO MUSEUM: The Museo del Prado is one of the most popular tourist attractions in Madrid. The 18th century structure designed by architect Juan de Villanueva houses one of the world's finest art collections. A 2007 expansion has made the famed museum easier to navigate. With more than 7,000 works of art representing culture and history from the 12th century to the early 19th century, however, it's impossible to see everything in a single visit. Visitors may wish to focus on the museum's collection of Spanish artists, including Goya, El Greco, da Ribera and Velázquez, which is inarguably the best collection of Spanish paintings in the world.

4. PLAZA DE LA VILLA: The Plaza de la Villa is a picturesque small square in the heart of Madrid, not far from the much larger Plaza Mayor. In contrast to the latter, the buildings at the Plaza de la Villa all have contrasting styles. The largest building in the square is the former Town Hall or Casa de la Villa (ayuntamiento). Construction started in 1644 by Juan Gómez de Mora, the architect of the Plaza Mayor.

LAS VANTAS: The Plaza de Toros de Las Ventas is a famous bullring in Madrid, Spain. Situated in the Guindalera quarter of the district of Salamanca, it was inaugurated on June 17, 1931. It has a seating capacity of 25,000 and is regarded as the home of bullfighting in Spain. This bullring was designed by the architect José Espeliú in the Neo-Mudéjar (Moorish) style with ceramic incrustations. The seats are situated in ten "tendidos". The price of the seats depends upon how close they are to the arena and whether they are in the sun or the shade (the latter being more expensive).

Prices and availability for these excursions may change at the time of booking.
